

**June 15, 2016**

**Dear Parents,**

**In an effort to help you in your quest for the perfect school shoe, we are sending you some pictures of acceptable and unacceptable shoes.**

**Most of you do a great job finding shoes that meet the requirements and I truly appreciate it. The largest infraction that we had last year was girls wearing flats. These will not be permitted next year, so please be sure to look at the pictures carefully. Leather high tops and suede shoes are also not permitted, and we had a few of those last year as well. This information can be found in the handbook, but additional reminders are always helpful.**

**While I am on the topic of shoes, I might as well remind you about the socks. Everyone did a much better job this year! Thank you! We had most children wearing all white quarter-cut socks with no emblems or writing. However, we also had our usual number of middle school students attempting to wear the no-show socks, which are not permitted. Look for the sales this summer and stock up on the white quarter cut socks for the school year!**

**Thanks to everyone for all you do to keep your children in the proper school uniform. I hope the pictures below are helpful to you.**

**Enjoy the summer! ☺**

**Rose Smoot  
Principal**

## Acceptable Shoes for Girls

These shoes are acceptable because they are all leather, they come in either black or brown and they have a small heel. Slip on or tie shoes are permitted. New for the 2010 – 2011 school year...Sketchers that meet the shoe requirements may also be worn.

## Acceptable Sketchers for Girls

## Unacceptable Shoes for Girls

These shoes are not acceptable because they are either flat or the heel is too high, or they are not all leather, or they are the wrong color.

**Unacceptable Sketchers for Girls because they look like flats or resemble tennis shoes.**

## **BOYS**

### **Acceptable Shoes for Boys**

**These shoes are acceptable because they are all leather, they come in either black or brown and they have a small heel. Slip on or tie shoes are permitted. New for the 2010 – 2011 school year...Sketchers that meet the shoe requirements may also be worn.**
