My child \_\_\_\_\_, has my permission to be dismissed as a walker. I understand that to be considered as a walker, the child will not be picked up by car. Each walker must be signed out daily by the teacher on walker duty and instructed by you, the parent, to walk directly to their designated destination. If your child is to be picked up by car, you **MUST** use the carline and not pick the child up on the corner, etc. In the event of rain or storms your child will not be permitted to walk and therefore you, the parent, will be responsible to pick the child up in carline or Extended Day. Thank you for your cooperation with these safety student walker policies.
