## **Eagle Update**

**Deeply Rooted in Knowledge, Faith, and Family**

**December 5, 2025**

As we enter the second week of Advent, we light the candle of **Peace**, a quiet flame that invites our restless hearts to slow down and make room for Christ. In a world often filled with noise, hurry, and anxiety, this simple light reminds us that true peace is not something we create on our own. It is a gift that comes from God, offered to us

through Jesus, the Prince of Peace. This candle calls us to prepare not just our homes but our hearts. It asks us to welcome Christ's calming presence into the places within us that feel anxious or unsettled. When we pause and allow God's peace to touch our lives, something beautiful happens: our perspective softens, our hearts expand, and we become instruments of peace for others.

This week, let us listen more closely to the voice of God in our lives. Let us look for opportunities to bring peace into our families and our community through a kind word, a patient response, or a quiet act of generosity. These small actions become sparks that spread Christ's light in powerful ways. Blessings as we enter this second week of Advent!

## ***CHRISTMAS CONCERTS***

Our annual Christmas Concerts are quickly approaching! Mrs. Freitas, our music teacher, has been working tirelessly organizing rehearsals, selecting songs, coordinating roles, and ensuring that every student has an opportunity to shine. Students from EC3 through Grade 8 have been joyfully preparing to celebrate the birth of Christ through music and song. We are deeply grateful for Mrs. Freitas creativity, energy, and commitment to making these concerts a joyful blessing for our entire school community.
